OIA/TECH-43/78
22 December 1978

STAT

MEMORANDUM FOR: 
Chief, P&BG/MS/ODP

SUBJECT : Review of Office Project Numbers (U)

OIA has reviewed those projects that we are authorized to use that consume ODP resources. At the present time OIA has the continuing requirement to actively maintain these projects. However, it is quite possible that the need for continuance of one or two of these projects will be eliminated in FY 79 but that decision has not yet been made.
